REFINED OILS

OUR CORE FUNCTION

We connect manufacturers and buyers across the Middle East, Africa, Europe, Asia, and the Americas. Our role is to bridge supply and demand through reliable sourcing, competitive pricing, and efficient execution.

About the Company

We are an independent energy research and business intelligence company providing data, analytics and consultancy services to our clients exposed to the energy industry across the globe.

Services & Tools

Access best in class data across the entire energy space. Our approach is built bottom-up with all datapoints collected at the lowest level of granularity. We deliver data in different ways to match our clients' specific needs and workflows.

Data feed: Data feed through FTP or OData or Snowflake for use in standard or custom-built analysis tools.
Models: Fully editable, transparent, Excel-based models designed for better decision-making.

Market Insights

Get a comprehensive overview of the fundamentals in the global energy markets through our online library of in-depth reports, timely articles, and factsheets. Stay abreast of the implications of macro trends and key events on the market.

Deep dive into regions, projects and companies across the energy system, with analysis spanning from oil & gas markets and the supply chain to clean energy developments and the energy transition.

EMISSIONS SOLUTION

At alahram, we believe that data transparency and quality are key to curbing methane emissions in the oil and gas industry. We have therefore developed a consistent, field-level, upstream oil and gas methane emissions database that incorporates and combines publicly available methane data, proprietary facility-level estimations, and global satellite data measurements in a consistent manner. The database is continuously updated with the latest available information—also from satellite detections.

We are committed to providing you access to data and commensurate that synthesizes the market implications of trends and key events. With our expert views, all backed by alahram's unparalleled data universe, you can make informed decisions and stay ahead of the game.
